The Killington Photo Scavenger Hunt is a fun way to explore Killington!

How it works:

- Sign up your team on www.KillingtonRec.com. There is no limit on team size, so you can be a team of one or recruit all of your family and friends.
- All teams need to be registered by midnight on Sunday, September 21th to qualify for scavenger hunt prizes.
- The scavenger hunt list will be e-mailed to all registered participants on Monday, September 22th.
- Teams that find at least 30 items on the hunt list will be eligible to pick up a prize.

How to hunt for items:

- Take a picture of an item on the hunt list and upload it to <http://www.flickr.com> (you'll need a Flickr account to do this and Flickr accounts are free).
- Join the group "2014 Killington Scavenger Hunt". Create a set, to which you'll add all of your photo submissions. Each photo must include 3 tags (Note: tags must be separated by double quotation marks):

YOUR TEAM NAME

2014 KILLINGTON SCAVENGER HUNT

NUMBER OF THE ITEM FROM THE HUNT LIST (i.e. KSH 1)

Please add a short description to any photos where the hunt items is difficult to see or identify.

- Add the set to the group "2014 Killington Scavenger Hunt."
